

Integrating Trade and Decent Work

Quarterly Newsletter

Welcome to the first quarterly newsletter of the INTEGRATE Programme!
This newsletter aims to keep you informed about the ILO's
upcoming activities on trade and decent work.
Reach out to us if you want to receive more information on any activity!

Yours sincerely,

The Globalization Team

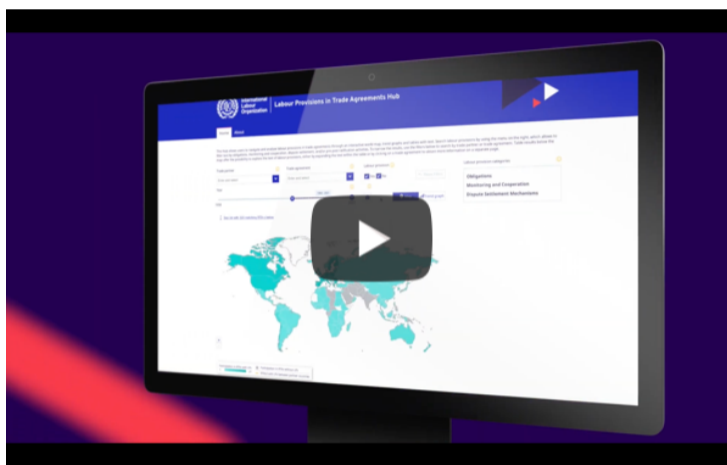

LAUNCH OF THE LP HUB

On January 26, we officially launched the **ILO Labour Provisions in Trade Agreements Hub**, a one-stop source for information on labour provisions in more than 100 regional trade agreements in over 140 economies.

A groundbreaking tool, the Hub is designed to assist policymakers, technical experts, representatives of workers' and employers' organizations, and civil society with analysing and strengthening the understanding of trade agreements that include labour provisions.

INTEGRATE PROGRAMME ACTIVITIES

Joint Virtual Training Course on Trade and Decent Work for Africa

FEBRUARY 7 - 18

Held with the ILO's International Training Center and the ILO's Regional Office for Africa, the course was geared towards tripartite constituents in the Africa region. You can consult the programme [at this link](#).

Research study on promoting and enforcing compliance of labour provisions in trade agreements: Comparative analysis of Canada, European Union and United States approaches and practices.

UPCOMING

The paper studies how compliance mechanisms operate in practice, by reference to three landmark labour disputes: Canada/Colombia, EU/Republic of Korea, and US/Guatemala.

Compendium on Trade and Decent Work: Concepts, frameworks and country level analysis.

UPCOMING

The edited volume focuses on methodological approaches, country case studies and trade policy considerations.

ILO-WIDE TRADE AND LABOUR ACTIVITIES

Joint WTO-ILO Webinar on Trade and Gender

MARCH 2

The webinar discussed gender, trade and labour market outcomes with emphasis on how the COVID-19 pandemic has affected decent work indicators, and how trade can help make the recovery more inclusive.
You can watch the recording [at this link](#).
