Seven Golden Rules Scope

**Improve your
Company's Safety**

EXPERIENCE AND NEXT STEPS

- The Leader Commitment is the KEY
- Often “7 Golden Rules” is confused as a replacement management system and another safety tools.
- The seal (logo) must be given to the commitment to “7 Golden Rules” (integrated model)
- The App and the consulting process are facilitators of work to be developed in each company.
- **Proposal: global seal (logo), contest with best practices in the practical implementation of each rule.**
